Subject: RE: Bristol Bay Native Corporation meeting request

Ms. Workman,

This email follows up on my request for a meeting between Ms. Stoner, Bristol Bay Native Corporation and Bristol Bay region tribes re the Bristol bay watershed assessment. As I noted in an earlier email it may be appropriate for Michelle DePass (cc'd here) to attend, and I recently learned that one of the other participants – Kim Williams from Nunamta Aluksai – has been in contact with Luke Jones (also cc'd here) re his potential participation in such a meeting.

While this meeting with EPA is our priority meeting on this trip, we are also setting up other meetings during the small window we will be in D.C. Consequently, scheduling can get tricky. I will thus call you tomorrow to see if we can firm up a date and time at that point.

Thank you,

Peter

Dear Deputy Assistant Administrator Stoner,

This email follows up on my request of two days ago to meet with you re the Bristol bay watershed assessment (original request below). Given the tribal participation in this requested meeting, I have also left a message for Michele DePass (cc'd here) and suggested that it may be appropriate for her to participate.

Thank you,

Peter

Dear Deputy Assistant Administrator Stoner,

I am emailing to request a meeting with you on March 29 or March 30 to discuss the Bristol Bay watershed assessment process. Jason Metrokin, President and CEO of the Bristol Bay Native Corporation, some members of his leadership team, and Bristol Bay region tribal and village corporation leadership would attend – likely eight or nine people. We would like to explain what we are doing to be a productive part of your important assessment process, and to learn from you how you see the process unfolding.

Thank you for your consideration of this request, and for your work on the assessment.

Peter Van Tuyn
